CANDLE STANDS

We will be using the Saint Killian's Candle stands within Saint Oswald's Church this weekend. They are the safest, cleanest, and most eco-friendly way of burning candles in church. The candles are smokeless, and will cause no damage to our walls and statues, and each candle is secured in its own individual cup, so the wax from the candle drops into a holding tray underneath the unit (avoiding wax spilling onto the floor). They will also need less cleaning, and the left over wax will even be reused by making firelighters. Keep an eye out for them!
